## INC

### CERTIFIED PUBLIC ACCOUNTANTS

#### **Independent Auditor's Report**

Board of Directors of  
Kachemak Bay Broadcasting, Inc.  
Homer, Alaska

#### **Opinion**

We have audited the accompanying financial statements of Kachemak Bay Broadcasting, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kachemak Bay Broadcasting, Inc. as of June 30, 2024 and 2023, and the changes in net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kachemak Bay Broadcasting, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kachemak Bay Broadcasting, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not

a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kachemak Bay Broadcasting, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kachemak Bay Broadcasting, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

# KACHEMAK BAY BROADCASTING, INC.

## Notes to Financial Statements Years Ended June 30, 2024 and 2023

### 1. ORGANIZATION

Kachemak Bay Broadcasting, Inc. (Corporation) is a public, nonprofit radio station incorporated in the State of Alaska with a mission to provide and promote news, information, and entertainment to foster community engagement for the southern Kenai Peninsula.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Method of Accounting

The financial statements of the Corporation have been prepared on the accrual basis of accounting which is in accordance with the accounting principles generally accepted in the United States of America (GAAP) and, accordingly, reflect all significant receivables, payables, and other liabilities.

#### Basis of Presentation

Kachemak Bay Broadcasting, Inc. reports information regarding its financial position and activities according to two classes of net assets as follows:

*Net assets without donor restrictions* are those amounts currently available at the discretion of the Board of Directors for use in Kachemak Bay Broadcasting, Inc.'s operations.

*Net assets with donor restrictions* are those amounts that are stipulated by donors or grantors for specific operating purposes. Revenue from grants and contracts are recognized as earned when the Corporation has incurred expenditures in compliance with the specific grant or contract. It also includes amounts for which the principal is stipulated by a donor or grantor to be invested in perpetuity.

#### Cash and Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include all highly liquid debt instruments with maturities of three months or less.

#### Property and Equipment

All acquisitions of property and equipment in excess of \$2,000 and all expenditures for repairs, maintenance, renewals and betterments, that materially prolong the useful lives of assets, are capitalized.

Property and equipment is recorded at cost, or in the case of donated property, at its estimated fair value as of the date of the contribution. Depreciation is provided using the straight-line method over the estimated useful life of the property, which ranges from three to thirty-five years. Expenditures for repairs and maintenance are charged against operations as incurred.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Underwriting Receivable

Kachemak Bay Broadcasting, Inc. extends credit for services rendered to underwriting customers on open accounts and receives payments for services in cash and trades.

# KACHEMAK BAY BROADCASTING, INC.

## Notes to Financial Statements Years Ended June 30, 2024 and 2023

Underwriting receivables are stated at unpaid balances. The Corporation has implemented the new ASU No. 2016-13, current expected credit losses during fiscal year 2024. The current expected credit loss is based on experience, third-party contracts and other circumstances, which may affect the ability of underwriters to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Corporation's policy to charge-off uncollectible receivables when management determines the receivables will not be collected.

Payments received in advance of services rendered are recorded as underwriting deposits.

### Contributions

All contributions are considered to be available for unrestricted use, unless specifically restricted by the donor or grantor. Amounts received that are designated for future periods or restricted by the donor or grantor for specific purposes are reported as donor support that increases net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the statement of activities as net assets released from restrictions.

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of a liability or expenses, depending on the form of benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills and would otherwise be purchased by Kachemak Bay Broadcasting, Inc. All are utilized by the Organization.

A portion of the Corporation's support is derived from cost-reimbursable federal and state grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as support when expenditures are incurred in compliance with specific grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. Grants receivable, if any, represent the excess of allowable expenses over cash receipts.

### Revenue Recognition from Contracts

Kachemak Bay Broadcasting, Inc. operates under a vendor agreement (the Agreement) with Pickle Hill Broadcasting, Inc. Under the terms of the Agreement, the Corporation provides programming and manages all aspects of the operation of Pickle Hill Broadcasting, Inc. The revenue is recognized over time through monthly invoicing as services are rendered. Invoices from the Corporation to Pickle Hill Broadcasting, Inc. are due within thirty days.

Revenues from broadcasting, underwriting, memberships are recognized over time as services are rendered.

### Functional Expense Allocation

Expenses are recorded when incurred in accordance with the accrual basis of accounting. The costs of providing the program services and supporting activities of the Corporation have been summarized on a natural classification basis. Accordingly, certain costs have been allocated among the program and supporting activities benefited.

# KACHEMAK BAY BROADCASTING, INC.

## Notes to Financial Statements Years Ended June 30, 2024 and 2023

Directly identifiable expenses are charged to functional expense classes for programming and production, management and general, broadcasting and technical, and fundraising expenses. Expenses related to more than one function are charged to each function on the basis of time studies and management estimates based upon prior experience. Management and general expenses include those expenses that are not directly chargeable to any other specific function but provide for the overall support and direction of the Corporation.

### Income Taxes

The Corporation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law. The Corporation files its form 990 in the U.S. federal jurisdiction for the State of Alaska. The Corporation applies the provisions of Topic 740 of the FASB Accounting Standards Codification relating to accounting for uncertainty in income taxes. The Corporation annually reviews its tax positions taken in accordance with the recognition standards. The Corporation believes that it has no uncertain tax positions which would require disclosure or adjustment in these financial statements. With few exceptions, the Corporation is not subject to audit of its tax returns after three years from filing.

### Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying consolidated financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

### Adoption of New Accounting Standards

Effective July 1, 2023, the organization adopted ASU No. 2016-13, *Financial Instruments – Credit Losses (Topic 326)* and all subsequent amendments to the ASU. The new guidance requires financial assets measured at amortized cost basis to be presented at the net amount expected to be collected, through an allowance for credit losses that are expected to occur over the remaining life of the asset, rather than incurred loss methodology previously used. The adoption of the standard did not have a material impact on the organization's net assets or cash flows.

## 3. CONCENTRATION

### Financial Instruments

The Corporation maintains cash balances at several financial institutions. Accounts are insured by the Federal Depositary Insurance Corporation (FDIC) for an amount up to \$250,000 per institution. Cash balances were fully insured at June 30, 2024 and 2023, respectively.

### Contributions

The Corporation receives a substantial portion of their annual funding through grants. The Corporation received \$183,231 and \$132,620 from the Corporation for Public Broadcasting during the year ended June 30, 2024 and 2023, respectively. This represents 31% and 24% of the Corporation's total support and revenues for the year ending June 30, 2024 and 2023, respectively.

# KACHEMAK BAY BROADCASTING, INC.

## Notes to Financial Statements Years Ended June 30, 2024 and 2023

### 4. LIQUIDITY AND FUNDS AVAILABLE

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30, comprise the following.

	2024	2023
Cash and cash equivalents	\$ 369,330	\$ 492,977
Receivable from Pickle Hill Public Broadcasting, Inc.	93,622	51,760
Accounts receivable	1,413	2,168
Underwriting receivable	20,802	18,101
Total financial assets available to meet cash needs for general expenditures within one year	\$ 485,167	\$ 565,006

Financial assets are considered unavailable when illiquid or not convertible to cash within one year, related to perpetual endowments, or because the governing board has set aside the funds for a specific contingency reserve or a long-term investment as board-designated endowments. These Board designations could be drawn upon if the Board approves that action.

The Corporation has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

### 5. REVENUE AND RECIEVABLE FROM PICKLE HILL PUBLIC BROADCASTING, INC.

Revenue earned under the Agreement was \$64,260 and \$60,792 for the years ended June 30, 2024 and 2023, respectively. The receivable from Pickle Hill Broadcasting, Inc. had balances of \$93,622 and \$51,760 at June 30, 2024 and 2023, respectively.

### 6. PROPERTY AND EQUIPMENT

Property and equipment consists of the following at June 30:

	2024	2023
Building and improvements	\$ 745,089	\$ 745,089
Broadcast equipment	400,357	400,357
Land	163,566	163,566
Furniture and fixtures	54,837	54,837
Construction in progress	97,200	-
	1,461,049	1,363,849
Accumulated depreciation	(979,622)	(932,538)
Property and equipment, net	\$ 481,427	\$ 431,311

# KACHEMAK BAY BROADCASTING, INC.

## Notes to Financial Statements Years Ended June 30, 2024 and 2023

Depreciation expense was \$47,084 and \$47,081 for years ended June 30, 2024 and 2023, respectively, and is allocated appropriately on the statement of functional expenses.

### 7. BENEFICIAL INTEREST IN ASSETS HELD BY HOMER FOUNDATION

During 1992, Kachemak Bay Broadcasting, Inc. established an endowment fund that is perpetual in nature (the Fund) under a community foundation's (the Homer Foundation) program and named Kachemak Bay Broadcasting, Inc. as beneficiary. Kachemak Bay Broadcasting, Inc. granted power to Homer Foundation, which allows Homer Foundation to modify any condition or restriction on its distributions, except for variance power. The fund is held and invested by Homer Foundation for the benefit of Kachemak Bay Broadcasting, Inc. and is reported at fair value in the statements of financial position, with distributions and changes in fair value recognized in the statements of activities. A summary of the Fund's contributions and investment income (loss) for the years ended June 30, 2024 and 2023 is as follows:

	2024	2023
Beginning balance, July 1	\$ 61,308	\$ 52,308
Earnings (loss)	9,069	5,634
Management fees	(1,012)	(523)
Net Earnings (loss)	8,057	5,111
Contributions	200	5,500
Disbursement	(1,906)	(1,611)
Ending balance, June 30	\$ <u>67,659</u>	\$ <u>61,308</u>

### 8. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

- Level 1- Quoted market prices in active markets for identical assets or liabilities
- Level 2- Observable market based inputs or unobservable inputs corroborated by market data.
- Level 3- Unobservable inputs reflecting the reporting entity's own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques followed need to maximize the use of the observable inputs and minimize the use of unobservable inputs.

# KACHEMAK BAY BROADCASTING, INC.

## Notes to Financial Statements Years Ended June 30, 2024 and 2023

The following table provides information as of June 30, 2024 and 2023 about Corporation's financial assets measured at fair value on a recurring basis.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
June 30, 2024				
Beneficial Interest in Homer Foundation	\$ <u>-</u>	<u>-</u>	<u>67,659</u>	<u>67,659</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
June 30, 2023				
Beneficial Interest in Homer Foundation	\$ <u>-</u>	<u>-</u>	<u>61,308</u>	<u>61,308</u>

Kachemak Bay Broadcasting, Inc. considers the measurement of its beneficial interest in the Homer Foundation to be a Level 3 measurement within the fair value measurement hierarchy because, certain investments of the Homer Foundation, which include private placements and other securities for which prices are not readily available, are determined by the management of the Foundation. As such, the Funds are classified at Level 3, having elements of unobservable inputs. Accordingly, the estimated fair values may differ significantly from the values that would have been used had a ready market existed for these investments.

There were no changes in methods or assumptions during the years ended June 30, 2024 and 2023.

### 9. COMMITMENTS AND CONTINGENCIES

Kachemak Bay Broadcasting, Inc. receives grants that are subject to audit and adjustment by the grantor agencies. Any expenditures disallowed as a result of such audit and for which the grant monies had been expended would become a liability of the Corporation. As of June 30, 2024 and 2023, no such audits were pending.

### 10. ADVERTISING
