Independent Auditors' Report

To the Board of Trustees
Public Media Connect and Affiliates
Cincinnati, Ohio

Opinion

We have audited the accompanying consolidated financial statements of Public Media Connect and Affiliates (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2024 and 2023, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Public Media Connect and Affiliates as of June 30, 2024 and 2023, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Public Media Connect and Affiliates and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Public Media Connect and Affiliates' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

**Independent Auditors' Report
(Continued)**

Auditors' Responsibilities for the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Public Media Connect and Affiliates' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Public Media Connect and Affiliates' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements of financial position and activities on pages 23 and 24 are presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Notes to Consolidated Financial Statements

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Public Media Connect and Affiliates (PMC or the Organization) is a tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code. The Organization was formed when the Boards of Trustees of Greater Dayton Public Television, Inc. (GDPT) and Greater Cincinnati Television Educational Foundation (CET) formed a regional, nonprofit public broadcasting and media holding company. The Organization owns and operates noncommercial broadcasting stations in the State of Ohio, specifically WPTD Channel 16 in Dayton, WPTO Channel 14 in Oxford, WCET Channel 48 in Cincinnati and other telecommunication facilities. The Organization receives support primarily from the viewing public and private and government grants.

Effective July 1, 2017, PMC became the sole member of Southwestern Ohio Instructional Technology Association (SOITA), a separate 501(c)(3) organization, with the intention of consolidating its administrative function, while continuing to provide educational services.

Principles of Consolidation

The consolidated financial statements include the accounts of Public Media Connect and affiliates (the media holding company) and the entities which are members of the media holding company (GDPT, CET and SOITA). These entities are controlled by a single Board of Trustees. Public Media Connect and Affiliates has consolidated the financial statements of GDPT, CET and SOITA for purposes of financial statement presentation.

These entities will be referred to as the "Organization" in subsequent note disclosures. All inter-entity account balances have been eliminated in the consolidation.

Financial Statement Presentation

The consolidated financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP). The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions, which are available for use in general operations and not subject to donor restrictions; and net assets with donor restrictions, which are either temporary in nature, such as those that will be met by the passage of time or other events specified by the donor, or are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Fair Value Measurements

GAAP has established a three-level hierarchy for fair value measurements based on the transparency of valuation inputs as of the measurement date. The hierarchy is based on the lowest level of input that is significant to the fair value measurement. The three levels are defined as follows: Level 1 inputs are unadjusted quoted prices for identical assets in active markets; Level 2 inputs are observable quoted prices for similar assets in active markets; Level 3 inputs are unobservable and reflect management's best estimate of what market participants would use as fair value.

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash

The Organization considers bank deposits and all highly liquid investments with original maturities of three months or less to be cash. The Organization maintains its cash in bank deposit accounts which, at times, exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk.

Investments and Investment Return

Investments in equity securities having a readily determinable fair value and all debt securities are carried at fair value. Other investments are valued at the lower of cost or fair value. Investment return includes dividends, interest and realized and unrealized gains and losses on investments.

Investment return that is initially restricted by donor stipulation and for which the restriction will be satisfied in the same year is included in net assets without donor restrictions. Other investment return is reflected in the consolidated statements of activities as with or without donor restrictions based upon the existence and nature of any donor or legally imposed restrictions.

Accounts Receivable

Accounts receivable represent uncollateralized obligations due from various organizations. Accounts receivable are carried at original invoice amount less an estimate made for credit losses based on a review of all outstanding amounts. Management determines the allowance for credit losses by evaluating each individual organization's receivable and considering their current credit worthiness, past experience and current economic conditions. Accounts have been adjusted for all known and expected uncollectible amounts. Recoveries of amounts previously written off are recorded when received. There was no provision for credit losses at June 30, 2024 and 2023. Accounts receivable at June 30, 2022 was \$ 576,456.

Property and Equipment

Building and equipment are recorded at cost or, in the case of donated assets, at their estimated fair value at date of receipt. Depreciation is computed by the straight-line method over the estimated useful lives of the respective assets. The Organization reviews its long-lived assets for impairment if changes in circumstances indicate that the carrying amount may not be recoverable. Management believes there has been no impairment in the carrying value of the Organization's long-lived assets.

In accordance with GAAP, the Organization assesses the recoverability of the carrying amount of property and equipment if certain events or changes occur, such as a significant decrease in market value of the assets or a significant change in operating conditions. Based on its most recent analysis, the Organization believes no impairments existed at June 30, 2024 and 2023.

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

The Organization determines if an arrangement is a lease at inception. Right of use (ROU) assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent its obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. The Organization uses rates implicit in the lease, if readily available. For leases that do not provide an implicit rate, a risk-free rate based on information available at commencement date is used in determining the present value of lease payments. The Organization's lease terms may include options to extend or terminate the lease when it is reasonably certain that it will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Organization accounts for lease and non-lease components as a single lease component. There may be variability in future lease payments as the amount of the non-lease component is typically revised from one period to the next. These variable lease payments are recognized in operating expenses in the period in which the obligation for those payments was incurred. The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

The Organization made an accounting policy election that payments under agreements with an initial term of 12 months or less will not be included on the statement of financial position but will be recognized in the statement of activities on a straight-line basis over the term of the agreement. The Organization has elected to apply the short-term lease exception on all classes of underlying assets.

Broadcast Licenses

The Organization has three non-commercial broadcast license agreements with the Federal Communications Commission. The license agreements provide the Organization the right to broadcast televised programs in the Dayton and Cincinnati, Ohio, areas and were awarded to the Organization at no cost.

Contributions

Gifts of cash and other assets received without donor stipulations are reported as revenue and net assets without donor restrictions. Gifts received with a donor stipulation that limits their use are reported as revenue and net assets with donor restrictions. When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions. Gifts having donor stipulations which are satisfied in the period the gift is received are reported as revenue and net assets without donor restrictions.

Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Contributions (Continued)

Unconditional promises to give expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are reported at the present value of estimated future cash flows. Contributions receivable as of June 30, 2024 and 2023 are expected to be collected within one year. At June 30, 2024 and 2023, the provision for uncollectible contributions receivable was \$80,607 and \$98,865, respectively.

Conditional promises to give depend on the occurrence of a specified future and uncertain event to bind the potential donor and are recognized as assets and revenues when the conditions are substantially met and the gift becomes unconditional.

Community Service Grants

The Corporation for Public Broadcasting (CPB) is a private, nonprofit grant-making organization responsible for funding more than 1,000 television and radio stations. CPB distributes annual Community Service Grants (CSGs) to qualifying public telecommunications entities. Each CSG may be expended over one or two federal fiscal years as described in the Communications Act, 47 United States Code Annotated Section 396(k)(7), (1983) Supplement. In any event, each grant must be expended within two years of the initial grant authorization.

The grants are reported on the accompanying consolidated financial statements as unrestricted operating funds; however, certain guidelines must be satisfied in connection with application for and use of the grants to maintain eligibility and compliance requirements. These guidelines pertain to the use of grant funds, record keeping, audits, financial reporting and licensee status with the Federal Communications Commission.

Government Grants

Support funded by state grants is recognized as the Organization performs the contracted services or incurs outlays eligible for reimbursement under the grant agreement. Grant activities and outlays are subject to audit and acceptance by the granting agency and, as a result of such audit, adjustments could be required.

During 2022, the Organization received grants in which the funding agency's promise to give is condition upon the Organization incurring certain qualifying expenses and meeting certain milestones under the agreements. At June 30, 2024 and 2023, the Organization had available award balances (conditional promises to give) on conditional government grants of \$-0- and \$1,342,676, respectively. The award balances was recognized as revenue as the conditions were met throughout the grants' termination date of September 2024.

During 2022, the Organization entered into a memorandum of understanding in which the funding agency's promise to give is conditioned upon the Organization incurring certain qualifying expenses and meeting certain milestones under the agreement. At June 30, 2024 and 2023, the Organization had available award balances (conditional promises to give) on the conditional grant of \$35,000 and \$185,000, respectively. This award balance will be recognized as revenue as the conditions are met throughout the grant's termination date, which is unspecified.

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

The Organization identifies a contract with a customer for revenue recognition when there is approval and commitment from both parties, the rights of the parties and payment terms are identified, the contract has commercial substance and the collectability of consideration is probable. The Organization evaluates each contract to determine the number of distinct performance obligations in the contract, which requires the use of judgment. To determine the proper revenue recognition method, the Organization evaluates whether two or more contracts should be combined and accounted for as one single contract and whether the combined or single contract should be accounted for as single or more than one performance obligation.

Underwriting Revenues

Revenue from contracts with customers is recognized from program underwriting. These contracts consist of performance obligations to broadcast underwriting announcements during televised programming and are reported at the amount that reflects the consideration to which the Organization expects to be entitled to in exchange for providing services. Each televised announcement is determined to be a distinct performance obligation. The transaction price is stated in the contracts and is known at the time of contract inception. The Organization determines the transaction price based on standard charges for goods and services provided. Underwriting revenue is recognized at a point in time when the announcements are televised. At times, the Organization will enter into a trade agreement with a business in which underwriting announcements are provided in exchange for tickets, gift cards or media sponsorships. Noncash trade agreements for underwriting are recorded at fair value. Customers are billed for underwriting spots at the time the underwriting agreement is signed, and payment is due monthly throughout the underwriting period. Contract liabilities (deferred revenue) as of June 30, 2024, 2023 and 2022 associated with underwriting revenues was \$20,500, \$11,000 and \$47,000, respectively, for GDPT and \$28,314, \$16,835 and \$41,220, respectively, for CET.

Membership Revenues

Revenue from memberships are in part contributions and in part exchange transactions. The exchange transaction portion of membership revenues is subject to the guidance in the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Section 606, *Revenue from Contracts with Customers* and the contribution portion of membership revenue is subject to the guidance in FASB ASC 958-605, *Not-for-Profit Entities: Revenue Recognition*. The Organization determines the fair value of goods and services provided to members as the exchange portion. The residual portion of revenue from memberships are contributions. Management's determination of fair value of the exchange transaction portion of membership revenue requires significant judgement. The Organization's primary performance obligation for the exchange portion of the memberships is to provide a one-time access code to PBS Passport, a streaming product that is not controlled by the Organization, to members who contribute more than \$60 per year. In accordance with ASC 606-10-55-38, the Organization is considered to be an agent in the transaction as the entity is merely arranging for the goods or services to be provided to the customer, rather than providing the specified goods or services itself. For the year ended June 30, 2024 and 2023, exchange transaction revenue recognized was approximately \$974,400 and \$958,500, respectively \$495,000 and \$484,500, respectively, for GDPT and \$479,400 and \$474,000, respectively, for CET.

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Membership Revenues

The Organization recognizes revenue from the exchange transaction portion of membership revenues at the point in time the one-time access code is transferred to its members. Set pricing is used for memberships with payments either being received in advance of receiving the benefits or billed monthly for sustaining memberships. There are no contract liabilities (deferred revenue) associated with membership revenues as of June 30, 2024 and 2023.

Donated Goods and Services

The Organization records donated goods and services that meet the criteria for recognition as contributions at fair value on the date of donation. A substantial number of volunteers have made significant contributions of time to the Organization's policy-making, program and support functions. The value of this contributed time does not meet the criteria for recognition under existing accounting standards and, accordingly, is not reflected in the accompanying consolidated financial statements.

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of Ohio law. However, it is subject to federal income tax on any unrelated business taxable income.

The Organization's IRS Form 990 is subject to review and examination by federal and state authorities. The Organization believes it has appropriate support for any tax positions taken, and therefore, does not have any uncertain income tax positions that are material to the consolidated financial statements.

Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis on the consolidated statements of functional expenses. Certain costs have been allocated among the program, management and general, and fundraising categories based on the specific identification and other methods. The most significant allocations are salaries and related expenses, which are allocated based upon time spent by Organization personnel, and occupancy and depreciation, which are allocated based on utilization.

Use of Estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosure of contingent assets and liabilities in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

NOTE 1 NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Effect of Adopting New Accounting Standard

In June 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standard Update (ASU) 2016-13, *Financial Instruments-Credit Losses*, which significantly changed how entities will measure credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The most significant change in this standard is a shift from the incurred loss model to the expected loss model. Under the standard, disclosures are required to provide users of the financial statements with useful information in analyzing an entity's exposure to credit risk and the measurement of credit losses. Financial assets held by the Organization that are subject to the guidance of ASU 2016-13 were accounts receivable. The Organization adopted the standard effective July 1, 2023. The impact of the adoption was not considered material to the consolidated financial statements.

Reclassifications

Certain 2023 figures have been reclassified to conform to the 2024 presentation.

Subsequent Events

The Organization has evaluated subsequent events through December 19, 2024, which is the date the consolidated financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30, are as follows:

	2024	2023
Cash	\$ 2,734,956	\$ 2,967,188
Accounts receivable, net	979,489	542,152

NOTE 2 LIQUIDITY AND AVAILABILITY (CONTINUED)

The Organization's endowment funds consist of donor-restricted endowments and a quasi-endowment. Income from donor-restricted endowments is restricted for specific purposes and therefore, is not available for general expenditures. As described in Note 13, the Organization's board-designated endowment has a spending rate as approved by the Board of Trustees annually, typically not to exceed 4 percent available within the next 12 months. Although the Organization does not intend to spend from its board-designated endowment other than amounts appropriated for general expenditure as part of its annual budget approval and appropriation process, amounts from its board-designated endowment could be made available if necessary.

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, the Organization invests cash in excess of daily requirements in short-term investments. To help manage unanticipated liquidity needs, the Organization has committed lines of credit as described in Note 6.

NOTE 3 INVESTMENTS AT FAIR VALUE

Investments at fair value as of June 30 consisted of the following:

	2024	2023
Level 1		
Equity mutual funds	\$ 12,095,675	\$ 9,512,000
Fixed income mutual funds	3,355,060	3,605,686
Alternative investment mutual funds	209,839	158,029

Funds held at Dayton Foundation	864,862	789,496
	<u>\$ 16,727,531</u>	<u>\$ 14,317,929</u>

Equity, Fixed Income and Alternative Investments Mutual Funds and Common Stock

Fair value of equity, fixed income and alternative investments mutual funds and common stock is estimated by reference to quoted market prices available in an active market. Equity and fixed income mutual funds are categorized as using Level 1 inputs.

Funds Held at Dayton Foundation

Fair value for funds held at the Dayton Foundation are valued as a proportionate interest of the fair value of the underlying funds. The underlying funds are primarily assets which can be valued using observable inputs and are categorized as using Level 2 inputs.

Money Market Funds

Fair value for money market funds is estimated using the net asset value ("NAV") of shares held at year end. Money market funds are categorized as using Level 2 inputs.

NOTE 4 BENEFICIAL INTEREST IN PERPETUAL TRUSTS AT FAIR VALUE

The Organization is the beneficiary of trusts held and administered by an independent trustee. Under the terms of the trusts, the Organization has an irrevocable right to receive a portion of the income earned on the trust assets in perpetuity, but never receives the assets held in trust. The Organization's beneficial interest in perpetual trust is recorded at fair value using level 3 unobservable inputs.

The following table is a reconciliation of all assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) at June 30:

Balance at June 30, 2022	\$ 803,663
Change in value	<u>43,305</u>
Balance at June 30, 2023	846,968
Change in value	<u>60,391</u>

CET has a demand line of credit with Merrill Lynch, Bank of America Corporation. The maximum draw available on this credit facility is based on the value of collateralized investments held at the Bank which totaled \$3,486,897 and \$3,151,663 at June 30, 2024 and 2023, respectively. The maximum credit available on this facility totaled \$2,082,085 and \$2,016,436 at June 30, 2024 and 2023, respectively. Interest is charged on amounts borrowed against the line at the one-month BSBY rate, plus 0.95% (6.35% at June 30, 2024). There was no outstanding balance at June 30, 2024 and 2023.

NOTE 7 DEFERRED COMPENSATION AGREEMENT

GDPT sponsors a nonqualified deferred compensation 457(b) plan available to all senior management personnel. The Plan is funded entirely by employee deferrals. The Plan assets and liabilities as of June 30, 2024 and 2023 are \$ 230,193 and \$200,614, respectively, and are included in investments and accrued expenses on the consolidated statement of financial position.

NOTE 8 RETIREMENT PLANS

GDPT sponsors a defined contribution retirement plan under the provisions of Internal Revenue Code Section 403(b) covering substantially all employees. Contributions to the plan during the years ended June 30, 2024 and 2023 were \$110,266 and \$113,867, respectively.

CET sponsors a defined contribution retirement plan under the provisions of Internal Revenue Code Section 403(b) covering substantially all employees. Contributions to the plan during the years ended June 30, 2024 and 2023 were \$59,681 and \$55,055, respectively.

NOTE 9 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are available for the following purposes at June 30:

NOTE 10 IN-KIND DONATIONS AND DONATED SERVICES

In-kind donations for the years ended June 30, 2024 and 2023 were \$1,445,631 and \$1,246,653, respectively (\$481,877 and \$415,551, respectively, for GDPT and \$963,754 and \$831,102, respectively, for CET). This represents support from the Ohio Broadcast Educational Media Commission (Ohio BEMC). These values are determined by the Ohio BEMC each year and are used for GDPT's technical program and CET's programming program. Donated services for the years ended June 30, 2024 and 2023 were \$274,534 and \$296,489, respectively (\$71,033 and \$51,567, respectively, for GDPT and \$203,501 and \$244,922, respectively, for CET). These consist primarily of sponsorships and event tickets for GDPT and underwriting and special event sponsorships for CET donated by various local organizations. GDPT and CET estimate the fair value of the donated services based on information provided by the local organizations and are used for GDPT's marketing and CET's programming program. All in-kind donations for 2024 and 2023 are without donor restrictions.

NOTE 11 RENTAL INCOME

CET leases office space and equipment to Cincinnati Public Radio under a non-cancelable operating lease agreement that expired in October 2022 and was renewed on a month-to-month basis. Rental income under this lease was \$286,499 and \$275,938 for the years ended June 30, 2024 and 2023, respectively.

GDPT leases excess broadband capacity under lease agreements that expire in 2040. Rental income associated with these leases totaling \$550,225 and \$540,476 were recognized for the years ended June 30, 2024 and 2023, respectively.

Future annual minimum lease receipts at June 30, 2024 are as follows:

2025	524,870
2026	535,217
2027	545,873
2028	556,849
2029	568,155
Thereafter	<u>7,100,549</u>
	<u>\$ 9,831,513</u>

NOTE 12 LEASES

CET leases office equipment under noncancelable operating leases that expire at various times through April 2027. The operating lease liabilities have a weighted-average remaining lease term of 32 months and were calculated using a discount rate of 2.88%. Operating lease expense and cash flows for CET were \$32,346 and \$29,557, respectively for the years ended June 30, 2024 and 2023.

NOTE 12 LEASES (CONTINUED)

GDPT leases office space a under non-cancellable operating lease with the expiration of the renewal period in March 2027 and options to renew for three additional five-year terms through March 2042. GDPT also leases office equipment under a non-cancellable operating lease that will expire in November 2026. The operating lease liabilities have a weighted-average remaining lease term of 121 months and were calculated using a weighted-average discount rate of 3.12%.

Additionally, the Organization entered into a twenty-year tower lease arrangement with Raycom National, Inc. calling for a one-time prepayment of \$861,000 that was set to expire in September 2024 but terminated early in March 2024. This prepayment has been recognized as a ROU asset on the statement of financial position with a remaining unamortized balance of \$-0- and \$32,288 at June 30, 2024 and 2023, respectively. GDPT had the option to renew this lease for two successive ten-year terms, provided 90 days' prior notice is given to the lessor.

Operating lease expense for GDPT was \$90,474 and \$97,733, respectively, and operating lease cash flows for GDPT was \$59,067 and \$54,683, respectively, for the years ended June 30, 2024 and 2023.

Future minimum lease payments as of June 30, 2024 were:

	CET	TTV	Total
2025	54,256	54,396	108,652
2026	54,256	54,396	108,652

	<u>\$ 142,607</u>	<u>\$ 762,134</u>	<u>\$ 904,741</u>

NOTE 13 ENDOWMENT

The Organization's endowment consists of a board-designated and donor-restricted endowment fund established to support general operations. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

NOTE 13 ENDOWMENT (Continued)

Interpretation of Relevant Law

The Board of Trustees of the Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as original corpus (a) the original value of gifts donated to the donor-restricted endowment and (b) the original value of subsequent gifts to the donor-restricted endowment. The remaining portion of the donor-restricted endowment fund that is not classified in original corpus is classified as accumulated earnings.

Changes in the endowment net assets for the years ended June 30, 2024 and 2023 are as follows:

Investment Policy

Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity, as well as assets designated by the board to function as an endowment. Under this policy, the primary objective is to provide for preservation of capital with an emphasis on long-term growth without undue exposure to risk. The return objective is to achieve a total return, net of fees, in excess of spending and inflation greater than the consumer price index plus 4%. To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending Policy

The Organization's current spending policy is to transfer all investment return from the donor-restricted endowment fund into the board-designated endowment fund, as stipulated by the donor at the time of the gift. The spending rate is approved by the Board of Trustees annually, typically not to exceed 4 percent, and is available for general expenditures within the next 12 months.

Notes to Consolidated Financial Statements (Continued)

NOTE 14 SIGNIFICANT CONCENTRATIONS

The Corporation for Public Broadcasting (CPB) is a major source of funding for the Organization. The Organization received \$2,533,195 and \$2,304,677 from CPB, representing approximately 14% of total revenue and support for both June 30, 2024 and 2023, respectively.

NOTE 15 RISKS AND UNCERTAINTIES

The Organization's investments consist of common stocks, U.S Government and fixed income securities and mutual funds. Investment securities are exposed to various risks, such as credit, market and interest rate. Due to the level of uncertainty related to changes in interest rates, market volatility and credit risks, it is at least reasonably possible that changes in these risks could materially affect the fair value of the investments reported in the consolidated statement of financial position at June 30, 2024. However, the diversification of the Organization's investments among various asset classes should mitigate the impact of any adverse changes on any one asset class. Investments are managed by the Board of Trustees with advice and assistance from investment professionals.
